⚗ Projects

git-ignore
Rust, Git

Quickly and easily list and fetch .gitignore templates from gitignore.io, works on Windows, Linux and macOS.

git-anger-management
Rust, Git

Have you ever wondered just how angry your co-workers and/or you are? Or just how naughty the commit log for a project is? This tool solves that problem.

⚙ Skills

Languages Rust, Kotlin, TypeScript/JavaScript, Python, SQL, Java, Haskell, C#

Technologies React, CSS, HTML, styled-components, Docker, Linux, Git, DevOps

Personal pianist, board game enthusiast, semi enthusiastic jogger, certified diver, sticker collector
